

# GRAINSCO

Grains Innovation & Solutions Co., Inc.

## RICEMASTER

### CONTINUOUS-FLOW DRYER

#### FLUIDIZED-BED DRYER

- Best for high moisture content grain (above 20%) in short time (4-6 mins)
- Even moisture content grain output by fluidizing with completely mixed flow.
- Most eggs & insect, killed by thermal shock.
- Less power required by 3 injection fans.
- More user-friendly by automatic control feed rate according to moisture content
- More safety operation by auto temp. control and feed control.
